Revised July 7, 2018 Exterior Paint Color Parts of this table are from the fall 1980 Club News

Volume VII Number I A collection of information regarding colors - Definitions. As with many terms describing social class, working class is defined and used in many different ways. The most general definition, used by Marxists and many socialists, is that the working class includes all those who have nothing to sell but their labour power and skills. In that sense it includes both white and blue-collar workers, manual and mental workers of all types ... Working class - Wikipedia -
